Bachelor of Commerce

This 120-credit Bachelor of Commerce degree is ACBSP and NCMA accredited. It combines theoretical and practical learning to give you an in-depth understanding of today's evolving business environment.

You will develop the critical thinking and team building skills necessary for effective communication in a globally based business setting.

Our Bachelor of Commerce is delivered through four tiers that progressively develop your knowledge, critical thinking ability and operational skills. Once you have built up your skillset, you will be ready for the Capstone courses that bring together everything you've learned into real-world projects helping you to launch your career.

The Bachelor of Commerce program prepares you for a successful career where you will contribute constructively in a global economy.

The program focus is found in a sequence of business courses. At the same time, it integrates communications courses to create an interdisciplinary degree that provides a sound background for work that includes the development and management of organizations. Team activities are an intrinsic part of many courses and build team skills vital for real-world success as well as providing a collegial learning environment.
